

KRISHI VIGYAN KENDRA, SUNDARGARH-I

Training Calendar 2026-27

Farmer and Farm Women

Sl No	Title of Training	Duration	Venue On/Off	Tentative Date	No. of Beneficiaries
Soil Science					
1.	INM in Arhar	1	Off Campus	July 2026	30
2.	Nutrient Management in Ragi	1	Off Campus	August 2026	30
3.	INM in Sugarcane	1	Off Campus	August 2026	30
4.	Aromatic rice cultivation under natural farming practices	1	Off Campus	August 2026	30
5.	Nutrient management in Crops under rice – fallow situation	1	Off Campus	September 2026	30
6.	Soil health mgt. under Natural Farming	1	Off Campus	September 2026	30
7.	INM in Solanaceous crop	1	Off Campus	October 2026	30
8.	Management of acid soil	1	Off Campus	October 2026	30
9.	INM in Maize	1	Off Campus	November 2026	30
10.	INM in Pulses (Greengram & Blackgram)	1	Off Campus	November 2026	30
11.	INM in groundnut	1	Off Campus	January 2027	30
12.	Preparation of quality compost from agricultural waste	1	Off Campus	February 2027	30
Agronomy					
13.	Integrated crop management in DSR	1	Off Campus	July 2026	30
14.	Raising mat nursery and nursery management for mechanical transplanting of rice	1	Off Campus	July 2026	30
15.	Integrated crop Management in different millets	1	Off Campus	July 2026	30
16.	Integrated pest management in Rice	1	Off Campus	August 2026	30
17.	Management of fall army worm in maize	1	Off Campus	September 2026	30
18.	Integrated Weed management in Kharif Pulses	1	Off Campus	September 2026	30
19.	Integrated Pest management Finger millet	1	Off Campus	September 2026	30
20.	Management of BPH in Rice	1	Off Campus	October 2026	30
21.	Scientific method of mustard cultivation	1	Off Campus	November 2026	30
22.	IPM in Rabi Vegetables	1	Off Campus	December 2026	30
23.	Weed management in Onion	1	Off Campus	December 2026	30
24.	Management of rice fallow area	1	Off Campus	January 2027	30
Community Science					
25.	Production technology of Paddy straw mushroom in threshed straw for Income generation	1	Off Campus	July 2026	30
26.	Raising of quality seedlings through low cost polytunnel	1	Off Campus	September 2026	30
27.	Planning and Lay-outing of model nutri garden	1	Off Campus	October 2026	30
28.	Production technology of Oyster mushroom	2	Off Campus	November 2026	30

Sl No	Title of Training	Duration	Venue On/Off	Tentative Date	No. of Beneficiaries
	in threshed straw for WSHGs				
29.	Post-harvest management of Oyster Mushroom Beds	1	Off Campus	November 2026	30
30.	Use of small tools and farm implements for Comfort elevation of farm women	1	Off campus	December 2026	30
31.	Different structure and methods to minimize the storage losses	1	Off campus	January-27	30
Agricultural Extension					
32.	Utilization of ICT Tools and Mobile Apps in Agriculture	1	Off campus	August, 2026	30
33.	Market Linkage Strategies for Organic Farming	1	Off campus	August 2026	30
34.	Value Addition and Marketing of Non-Timber Forest Products (NTFPs)	1	Off campus	September, 2026	30
35.	Entrepreneurship in Millet Processing and Value Chain	2	Off campus	October, 2026	30
36.	Social Media Marketing for Agricultural Produce	1	Off campus	October, 2026	30
37.	Farm Financial Literacy and Record Keeping	1	Off campus	November 2026	30
38.	Participatory Seed Production and Community Seed Banks	1	Off campus	November, 2026	30
39.	Leadership Development for Farmers' Interest Groups (FIGs)	1	Off campus	December, 2026	30
40.	Maximizing Benefits from Govt Agricultural Schemes	1	Off campus	December, 2026	30
41.	Operation and Management of Custom Hiring Centres (CHCs)	1	Off campus	January, 2027	30
Horticulture					
42.	Integrated Nutrient Management in Okra.	1	Off campus	May 2026	30
43.	Foliar application of Micro-nutrients in Bitter gourd	1	Off campus	June 2026	30
44.	Nursery raising of Solanaceous vegetables in Pro-trays	1	Off campus	July,2026	30
45.	Nursery raising of late Kharif Onion	1	Off campus	August 2026	30
46.	Improved package of practices of Onion in late Kharif	1	Off campus	September 2026	30
47.	Methods of Application of Arka Microbial Consortium in Chilli	1	Off campus	September 2026	30
48.	Improved Package of practices for grafted Brinjal	1	Off campus	October 2026	30
49.	INM practices in Marigold	1	Off campus	October 2026	30
50.	Integrated Nutrient Management in Garlic	1	Off campus	November 2026	30
51.	Principle & Practices of Natural Farming in vegetables	1	Off campus	November2026	30
52.	Improved package of practices of Strawberry cultivation	1	Off campus	November 2026	30

Sl No	Title of Training	Duration	Venue On/Off	Tentative Date	No. of Beneficiaries
53.	Nursery raising of Off-season Tomato for Summer.	1	Off campus	January 2027	30
Agro-Forestry					
54.	Preparation of forest planting Material	1	Off campus	July 2026	30
55.	Plantation technique of moringa with green gram as intercrop	1	Off campus	August 2026	30
56.	Practicing of alley cropping system	1	Off campus	August 2026	30
57.	Preparation of different agro-forestry model	1	Off campus	September 2026	30
58.	Collection & Value addition of NTFP	1	Off campus	October 2026	30
59.	Lac cultivation in Kusumi & Palash Tree	1	Off campus	November 2026	30
60.	Floral Mgt for Honey Bee cultivation	1	Off campus	December 2026	30

Rural youths

Sl No	Title of Training	Duration	Venue On/Off	Tentative Date	No. of Beneficiaries
1.	Quality Seed Production & marketing through FPOs	3	On Campus	January 2027	20
2.	Preparation of Bio-inputs for Organic & Natural farming	3	On campus	November 2026	20
3.	Mushroom production for sustainable enterprise	3	On campus	November 2026	20
4.	Integrated Farming System for Sustainable & Climate resilient livelihoods	3	On campus	March 2027	20
5.	Different avenues for marketing of Agricultural produce	3	On campus	February 2027	20

Extension functionaries

Sl No	Title of Training	Duration	Venue On/Off	Tentative Date	No. of Beneficiaries
1.	Recent advances in soil health mgt	2	On campus	December 2026	20
2.	Site specific nutrient management	2	On campus	February 2027	20
3.	Prospect of Annual planning of weed pest management	1	On campus	January 2027	20
4.	Recent advances in Pest Management	1	On campus	February 2027	20
5.	Advanced Extension Methodologies & Digital Content Dissemination	2	On campus	Oct 2026	20

Sl No	Title of Training	Duration	Venue On/Off	Tentative Date	No. of Beneficiaries
6.	Promoting Agri-Entrepreneurship and Nurturing FPO Ecosystems	2	On campus	January2027	20
7.	Empowering Women Farmers: Advanced Techniques for Sustainable Agriculture	2	On campus	Nov2026	20
8.	Principles and Practices of Natural farming in vegetable crops	2	On campus	December,2026	20
9.	Climate resilient vegetable crops & their package of practices	2	On campus	January,2027	20

Sponsored training (Capacity Buiding/Skill development)under CBSAE Development Project

Sl No	Title of Training	Duration	Venue On / Off	Tentative Date	No of Participants
1.	Techniques of Vermi-compost production	10	On campus	Aug-26 & Feb-27	60
2.	Scientific rearing of honey bee	5	On campus	Feb- 2027	20
3.	Commercial mushroom cultivation	10	On campus	July -26 &Oct-26	40
4.	Value addition of NTFP	5	On campus	July-2026	20
5.	Nursery raising of Vegetables	5	On campus	October 2026	20
6.	Organic and Natural Farming	5	On campus	November 2026	20
7.	Propagation of Fruit crops using grafting & budding techniques	5	On campus	March 2027	20
8.	Mushroom Spawn production	5	On campus	Nov 2026	20
9.	Value addition of Mushroom	5	On campus	Dec-26	20
10.	Fish Production with IMC culture	5	On campus	August 2026	20
11.	Commercial poultry production	5	On campus	Nov.2026	20
