

Farmers and farmwomen

Sl No	Thematic area	Title of Training	No.	Dur ation	Venue On/Off	Tentative Date
Soil Science						
1.	Soil and Water Testing	Importance of soil testing & balanced fertilizer application in crops	1	1	Off Campus	July 2024
2.	Micro-nutrient deficiency	Micro & secondary nutrient application in Rice	1	1	Off Campus	July 2024
3.	Problematic soil mgt	Mgt of acid soil	1	1	Off Campus	July 2024
4.	INM	INM in Maize	1	1	Off Campus	August 2024
5.	INM	Nutrient Management in Aromatic Rice	1	1	Off Campus	August 2024
6.	INM	Application of Nano-Urea and Nano DAP in Rice	1	1	Off Campus	August 2024
7.	INM	INM in Pulses (Greengram&Blackgram)	1	1	Off Campus	September 2024
8.	INM	INM in groundnut	1	1	Off Campus	January 2025
9.	Preparation of organic Inputs	Preparation of quality compost from agricultural waste	1	1	Off Campus	February 2025
10.	Biofertilizer production	Production technology for raising Azolla nursery	1	1	Off Campus	September -2024
11.	Soil & Water conservation	Rain water harvesting & water conservation	1	1	Off Campus	August 2024
12.	Nutrient management	Nutrient mgt in natural farming	1	1	Off Campus	September 2024
13.	Nutrient management	INM in Solanaceous crop	1	1	Off Campus	September 2024
14.	Nutrient management	Use of bio-fertilizer in special reference to organic farming in vegetable crops	1	1	Off Campus	November 2024
15.	INM	Nutrient management in Crops under rice – fallow situation	1	1	Off Campus	October 2024
Agronomy						
16.	Weed management	Importance of summer ploughing for controlling weed and enrichment of soil	1	1	Off Campus	June 2024
17.	Nursery Management	Nursery management of Paddy	1	1	Off Campus	June 2024
18.	Nursery Management	Nursery management in ragi	1	1	Off Campus	June 2024
19.	ICM	Agronomic package and practices for Arhar cultivation	1	1	Off Campus	June 2024
20.	ICM	Improved production technology for cultivation of Sesamum	1	1	Off Campus	July 2024

21.	IDM	Management of wilt complex in Chilli	1	1	Off Campus	July 2024
22.	Weed management	Weed management in DSR	1	1	Off Campus	July 2024
23.	IPM	Disease and Pest management in Rice	2	1	Off Campus	August 2024
24.	IWM	Weed management in Kharif pulses	1	1	Off Campus	August 2024
25.	ICM	Scientific method of mustard cultivation	1	1	Off Campus	October 2024
26.	IPM	Management of fall army worm in maize	1	1	Off Campus	November 2024
27.	IDM	Management of wilt complex in Brinjal	1	1	Off Campus	November 2024
28.	IPM	IPM in Rabi Vegetables	1	1	Off Campus	Dec 2024
29.	ICM	Management of rice fallow area	1	1	Off Campus	Dec2024
30.	IWM	Weed management in Groundnut	1	1	Off Campus	January 2025
Community Sc						
31.	Income generation activities for empowerment of rural Women	Production technology of Paddy straw mushroom in threshed straw for Income generation	1	2	Off Campus	June 24
32.	Nursery management	Raising of quality seedlings through low cost polytunnel	1	1	Off Campus	September 24
33.	Household food security by nutritional gardening	Planning and Lay-outing of model nutri garden	1	1	Off Campus	October-24
34.	Household food security by nutritional gardening	Nutri-garden-Nutritional security of farm families	1	1	Off Campus	October-24
35.	Income generation activities	Production technology of Oyster mushroom in threshed straw for Income generation	1	2	Off Campus	Nov-24
36.	Post harvestMgt	Post harvest management of Oyster Mushroom Beds	1	1	Off Campus	November 2024
37.	Location specific drudgery reduction technologies	Use of small tools and farm implements for Comfort elevation of farm women	1	1	Off Campus	January-24
38.	Storage loss minimization	Different structure and methods to minimize the storage losses	1	1	Off Campus	Feb-24
39.	Value addition	Value addition of Vegetables(Tomato)	1	1	Off Campus	Dec2024
40.	Women & child care	Early childhood care by farm women	1	1	Off Campus	July 2024
41.	Value addition	Value addition of Fruits(Mango and Lemon)	1	1	Off Campus	March 2025
Forestry						
42.	Production Techniques	Preparation of Forest planting material. (Teak, A. mangium, sandal,D.sissoo, Bamboo etc.)	1	1	Off Campus	July2024
43.	Production Techniques	Plantation technique and duration of different plantation crop.	1	1	Off Campus	July2024
44.	Nursery management.	Forest Nursery management.	1	1	Off Campus	August 2024

45.	Agroforestry model.	Preparation of different Agroforestry model.	1	1	Off Campus	August .2024
46.	Production Techniques	Lac cultivation in Kusum, Ber and Palas trees.	1	1	Off Campus	October 2024
47.	Silvi-pastural system.	Practising of different Silvi-pastural system.	1	1	Off Campus	September 2024
48.	Production Techniques	Energy plantation of forest species.	1	1	Off Campus	September 2024
49.	Value addition	Collection, drying method and its values addition of Mahua and other NTFP.	1	1	Off Campus	Jan.2025
50.	Management of Forest Plants	Management of Pre and post plantation crop/plants.	1	1	Off Campus	October 2024
51.	Forestry Production Techniques	Different pruning, thinning technique and its time of plants for better growth.	1	1	Off Campus	Nov.2024
Agricultural Extension						
52.	Mobilization of social capital	Formation and management of Farmer Producer organizations	1	1	Off Campus	January, 2025
53.	leadership management	Formation of groups for aggregation and marketing of village produce	1	1	Off Campus	August, 2024
54.	Farm mechanization	Operation and maintenance of small farm tools and implements	1	1	Off Campus	September, 2024
55.	Marketing	Various marketing opportunities & production planning in vegetables	1	2	Off Campus	October, 2024
56.	Marketing	Formation and management of Farmer Producer organizations	1	1	Off Campus	November, 2024
57.	Micro irrigation systems of orchards	Layout, fitting & mgt of drip irrigation in Orchard	1	1	Off Campus	November 2024
58.	Marketing	Formation of groups for aggregation and marketing of village produce	1	1	Off Campus	December, 2024
59.	Poultry management	Scientific rearing of backyard poultry	1	1	Off Campus	October 2024
60.	Feed management	Preparation of Low cost poltury feeds for higher income	1	1	Off Campus	November 2024
61.	Farm mechanization	Use and operation of Ragi thresher cum perler	1	1	Off Campus	, 2024
62.	Farm mechanization	Use and operation of seed cum fertilizer drill on pulses	1	1	Off Campus	2024
63.	ITK	ITK in Rice	1	1	Off Campus	August 2024
64.	Vaccination	Vaccination schedule for poultry	1	1	Off Campus	October 2024
Horticulture						
65.	Nutrient management	Foliar application of Micro-nutrients in Bittergourd	1	1	Off Campus	June,2024
66.	INM	Integrated Nutrient Management in Yard long bean	1	1	Off Campus	June,2024
67.	Integrated Farming system	Selection of Fruit & vegetable crops in pond based IFS.	1	1	Off Campus	July,2024
68.	INM	Integrated Nutrient Management in Okra	1	1	Off Campus	July,2024

69.	Varietal evaluation	Garlic varieties with their Characteristics	1	1	Off Campus	August,2024
70.	INM	Integrated Nutrient Management in Garlic	1	1	Off Campus	August,2024
71.	Nutrient management	Methods of Application of Arka Microbial Consortium in Chilli	1	1	Off Campus	September, 2024
72.	Nursery raising	Nursery raising of Marigold	1	1	Off Campus	October,2024
73.	Training & Pruning	Training & Pruning in young Mango tree.	1	1	Off Campus	October,2024
74.	Integrated Nutrient management	Integrated Nutrient Management in Guava	1	1	Off Campus	November, 2024
75.	Integrated Nutrient Management	Integrated Nutrient Management in Brinjal	1	1	Off Campus	November, 2024

Rural youths

Sl No	Thematic area	Title of Training	No.	Duration	Venue On/Off	Tentative Date
1.	Production of Organic inputs	Preparation of quality compost	1	5	On campus	January 2025
2.	Production of organic Inputs	Preparation of Inputs for Organic & Natural farming	1	3	On campus	February 2025
3.	Entrepreneurship development	Commercial poultry farming	1	3	On campus	September 2024
4.	Marketing	Different avenues for marketing of Agricultural produce	1	3	On campus	March 2024
5.	IFS	IFS for livelihood security	1	2	On campus	November 2024
6.	Entrepreneurship development	Seed production in Rice	1	2	On campus	September 2024
7.	Value addition	Processing and value addition of Millet	1	3	On campus	October 2024
8.	Value addition	Value addition of Mahual	1	3	On campus	March 2024
9.	Forestry	Preparation of low-cost Forest Nursery for planting material production. (Teak, A. mangium, sandal, D.sissoo, Bamboo etc	1	2	On campus	January 2025
10.	Entrepreneurship development	Entrepreneurship development through Nursery business	1	5	On campus	February, 2025
11.	Plant Propagation	Propagation of Fruit crops using grafting & budding techniques	1	5	On campus	March, 2025

Extension functionaries

Sl No	Thrust area/ Thematic area	Title of Training	No.	Duration	Venue On/Off	Tentative Date
1.	INM	Recent advances in soil health mgt	1	2	On campus	December 2024
2.	INM	Soil related constraints & their amelioration for sustainable crop production	1	2	On campus	February 2025
3.	Capacity building for ICT application	Recent advances in ICT used in Agriculture	1	2	On campus	September 2024
4.	ICT	Application of new media in extension	1	2	On campus	January, 2024
5.	Leadership Development	Motivational and communication skills for extension personnel	1	2	On campus	October 2024
6.	IWM	Prospect of Annual planning of weed pest management	1	1	On campus	September 2024
7.	Pest Management	Safe use of pesticides	1	1	On campus	December 2024
8.	Pest Management	Recent advances in Pest management in Rice	1	1	On campus	February 2023
9.	Nutritional Security	Nutritional and Health benefits of Millet	1	1	On campus	November 2024
10.	Entrepreneurship development	Entrepreneurship development among farm women	1	2	On campus	November 2024
11.	Sustainable Crop production	Principles and Practices of Natural farming in vegetable crops	1	2	On campus	December, 2024
12.	Climate Smart Horticulture	Climate resilient vegetable crops & their package of practices	1	2	On campus	January, 2025

Sponsored training (Skill development)

Sl No	Thrust area/ Thematic area	Title of Training	No.	Duration	Venue On/Off
1	Entrepreneurship development	Techniques of Vermicompost production	4	20	On campus
2	Entrepreneurship development	Scientific Poultry rearing	1	5	On campus
3	Entrepreneurship development	Scientific rearing of honey bee	2	10	On campus
4	Value addition	Value addition of Mushroom	1	5	On campus
5	Entrepreneurship Development	Commercial mushroom cultivation	3	15	On campus
6	Value addition	Value addition of Fruits and vegetables	1	5	On campus
7	Value addition	Value addition of Mahul	1	5	On campus
8	Entrepreneurship development	Round the year stunted Yearling production	1	5	On campus
9	Entrepreneurship development	Bio-flock based fish farming	1	5	On campus
10	Entrepreneurship development	Brooding and Rearing of poultry	1	5	On campus
11	Entrepreneurship development	Nursery raising of Vegetables	2	10	On campus
12	Entrepreneurship development	Propagation of Fruit crops using grafting & budding techniques	2	10	On campus
13	Entrepreneurship development	Mushroom spawn Production	1	5	On campus
14	Entrepreneurship development	Package and Practices of Millet and value addition of millet	1	1	On campus
